Be an Info  
Detective!

## 2026 Civics Celebration

Your Public Library, the Cradle of  
**Democracy**

**Keep track of your detective work  
here if you like!**

Write down a time when  
you need information.

Write down some places  
you look for information.

Look up the word "Fact" in  
the dictionary.

Write a fact, then write an  
opinion.

Other things I want to remember about finding information:

How to play:

Just like regular bingo, you must complete five in a row in any direction.

When you complete a row, bring it to one of the library dept. desks for your prize.

Select your prize (pin or sticker - will be available starting Feb. 1). Prizes are available while supplies last.

Keep your sheet!

Complete a second row to win a t-shirt. Turn in your sheet with two rows complete. We will be ordering t-shirts and have them available for pickup starting July 1. Prizes are available while supplies last. One sheet per person please. Thank you!
