How to play:

Just like regular bingo, you must complete five in a row in any direction.

When you complete a row, bring it to one of the library dept. desks for your prize.

Select your prize (pin or sticker - will be available starting Feb. 1). Prizes will be available while supplies last.

Keep your sheet!

Complete a second row to win a t-shirt. Turn in your sheet with two rows complete. We will be ordering t-shirts and have them available for pickup starting July 1. Prizes will be available while supplies last. One sheet per person please. Thank you!
