~ What is MelCat? ~

MelCat is access to even more books, music, and videos through public, academic, and school libraries throughout the state of Michigan.

How It Works

Click on the MelCat Link in the TADL catalog if an item is not available in TADL’s collection, simply request it to come in to the library of your choice.

Take advantage of MelCat at www.tadl.org/melcat

A MelCat ID is needed to search and request materials. Log in to “My Account” with your TADL username and password to access your MelCat ID.

Or just stop in to see us.

~ Staff Pick ~

Reva’s Pick - The Book Woman of Troublesome Creek
Kim Michele Richardson

The Book Woman of Troublesome Creek, The hardscrabble folks of Troublesome Creek have to scrap for everything, everything except books, that is. Thanks to Roosevelt’s Kentucky Pack Horse Library Project, Troublesome’s got its very own traveling librarian, Cussy Mary Carter. Cussy’s not only a book woman, however; she’s also the last of her kind, her skin a shade of blue unlike most anyone else. Not everyone is keen on Cussy’s family or the Library Project, and a Blue is often blamed for any whiff of trouble. If Cussy wants to bring the joy of books to the hill folks, she’s going to have to confront prejudice as old as the Appalachias and suspicion as deep as the holler.

~ Binge-Watch ~

Mr. Mercedes: Retired detective Bill Hodges is still haunted by the unsolved case of "Mr. Mercedes," who claimed sixteen lives when he drove a stolen Mercedes through a line of job-seekers at a local job fair. Meanwhile, brilliant young psychopath Brady Hartsfield, the real Mr. Mercedes, reemerges to focus his attention on Hodges. What begins as an online cat-and-mouse game between the two soon has deadly real-life consequences as an increasingly desperate Hartsfield becomes bent on leaving his mark on the world.
