The Princess & The Pea
Let's Weave! Crown Lacing Cards

Practice weaving a piece of yarn through the holes in the card.
Supplies:
- Card Stock
- Crown Shape
- Yarn or Shoelaces
- Single Hole Punch

Print out a crown or trace on cardstock. (An empty cereal box also works well!)

Color the crown and cut it out. Punch holes around the crown outline. Lace your yarn through the holes to decorate around the crown.

We’d love to see a photo of your royal best, send it to us at ask@tadl.org!
